"STARKER."
I used to take some comfort in
My happy home in days gone by.
But now it seems it don't begin
To be the place it was once
I've gathered up 'er little pile
It's worry, fuss an' 'fume an' fret.
I hardly dast ter crack a smile
For fear o' Mandly's clerk.

She's got a triffin' little look
That puts her up on how ter eat.
An' how ter drink, an' how ter look.
An' how ter hold her hands an' feet.
I've got ter gape an' stretch an' sneeze.
An' snore, an' walk, an' stand, an' sit,
Not just educkly as I please,
But 'ordin' to that clerk.

At dinner I keep on my coat,
No matter if the room is hot.
A standin' collar round my throat.
An' lots o' things—I dunno what.
I wish that we was past o'net more,
It's sorter crampin' now, you let—
An' I was quite content afore
We heard of this dern clerk.

JOHN B. CHENAULT.

Making a Vigorous Fight For Audi-
tor Against Democratic Slate.

Among the anti-slate candidates before the
Democratic primary on Saturday is Mr. John B.
Chenault, who aspires to the nomination for
Auditor of the State.

Mr. Chenault is a member of the famous
family of that name of Madison county, and
for the past three years has been Insurance
Commissioner of Kentucky, a position which he
fills with signal ability.

He now desires to serve the people as Audi-
tor of Kentucky and is making the race in spite
of the "slate," which seems to have been ar-
ranged against some of the most deserving
gentlemen of the state.

Mr. Chenault has peculiar claims upon Mason
county, as he married a daughter of the late
"Squire J. H. Burgess of this city, and thus has
quite a wide relationship and acquaintanceship
in this county.

Judging from the personnel of those from this
section who are opposing the Frankfort "com-
bination," the "outs" are superior to the "ins,"
for on the list we find the names of not only
Mr. Chenault but that of Dr. J. M. Frazer of this
city, who is a candidate for Commissioner of
Agriculture, and Captain Bob Green of Bracken
county, who is a candidate for Clerk of the
Court of Appeals.

If the Mason county Democrats are in ear-
nest in their desire to rid themselves, the party
and the state of "ring rule," they will support
Mr. Chenault and the other gentlemen at Sat-
urday's primary.

IMPROVED ORDER REDMEN

State Meeting to Be Held in Maysville This Month.

Visitors Will Be Royally Entertained By the Local Indians.

The Great Council of Kentucky, Improved Order of Redmen, is to meet in Maysville Tuesday and Wednesday, May 12th and 13th.

Let the old town for the two days be painted "red," and the many visitors be made to feel they are welcome.

The Committee on Entertainment appointed some time since from Wyandotte Tribe No. 3 has about finished its arrangements, and if its plans are carried out the meet will be a most interesting one.

The sessions of the Great Council will be held in the Hall of DeKalb Lodge, I. O. O. F.

On Tuesday, May 12th, at 9 a. m. Great Sachem William C. Pelham will call the meeting to order, and until 10 o'clock a public reception will be held, to which every person, whether an Indian or not, is invited to attend.

Music—"Home Sweet Home"—Redmen's Band.

At the completion of this the Great Council of Kentucky will be called to order and the business begun.

On Wednesday afternoon the Great Council will be entertained with a boat ride on the river.

The Island Queen, one of the largest boats on inland waters, has been chartered, and at 3 o'clock she will leave the wharf for a several hours ride.

A bountiful lunch will be served on board, and the Redmen's Band will furnish music for those who care for dancing.

In all, Wyandotte Tribe will spare no efforts to make this state meeting of the Redmen one of the most successful and pleasant in the history of the Order.

In a street fight at Opelika, Ala., J. L. Moon, Deputy Sheriff, was shot through the arm and John Long, a well-known citizen, was instantly killed.

Sheriff Hodge, who fired the shot that killed Long, narrowly escaped death.

The anniversary of the emancipation of 23,000,000 Russian peasants, liberated by Alexander II. in 1861, is to be celebrated hereafter in the orthodox Churches by elaborate thanksgiving services instead of by a single requiem mass.

While about 1,500 Poles were waiting along the tracks at Detroit to get on board a Lake Shore excursion train which was to carry them to their home in Toledo, a fast passenger train on the Grand Trunk Railway ran into the crowd, killing at least seven persons and injuring a number of others. It is claimed the Grand Trunk train gave no warning signal as it approached the crowd.

The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size lose two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions the strength leaves, health gives way and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by J. Jas. Wood & Son.

Dr. Warren Dutcher, son of the Rev. S. D. Dutcher, formerly of Maysville, is practicing dentistry at Oklahoma City, Oklahoma Territory, where his father is also Pastor of the Christian Church.

A full report from the Committee looking after better streets was not given Tuesday evening and a meeting will be held tomorrow evening at 7 o'clock. Brick streets seem to be favored by those who have been examining conditions in other cities.

The X-Ray.

Recent experiments by practical tests and examination with the aid of the X-Ray establish it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of Indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is curing thousands. It will cure you of Indigestion and dyspepsia and prevent or cure Catarrh of the Stomach. Kodol digests what you eat—makes the stomach sweet. Sold by J. Jas. Wood & Son.

Gas Company.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered, that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for private consumption.

All rates and discounts heretofore made are abolished.

It was also ordered that after the 1st of April the old rate of the company, "Gas will be turned off, if account is not paid within five days after presentation," shall be strictly and indiscriminately enforced, regardless of whom it may concern. (This action was taken, not to appear arbitrary, nor with the idea that the accounts of the consumers were not perfectly good any time during the month, or a year, but for the reason that this part of the business of the company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the company's agents and employees, now so largely occupied with this work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered, that beginning the 1st of May, and for each and every month thereafter, the monthly statement of account of each consumer, to be delivered to the consumer by an Agent of the company on the first day of the month, or second day if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the company on Court Street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equivalent to 50% discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance: Take a gas range listed in catalogue at \$25; the Gas Company will sell this range to consumer for \$14 cash, or for \$2.80 cash at signing of lease and \$1.40 per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The company has selected to handle the Detroit Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and mantels of the Welsh Company in all of their many attractive varieties.

Before closing this announcement the Gas Company wishes to publicly express its appreciation of the eminently fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have on exhibition at the plumbing establishment of Mr. Larry Langlois samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langlois or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.

"I've Lost Ten Pounds"

A man says, "Look at this." And he over-laps his coat to show how loose it is. There are some people who can lose fat to advantage, but the loss of flesh is one of the accepted evidences of failing health. As flesh-making processes begin in the stomach, so naturally when there is loss of flesh we look first to the stomach for the cause. And the cause is generally found to be disease of the stomach and digestive tracts, resulting in loss of nutrition and consequent physical weakness.

Doctor Pierce's Golden Medical Discovery restores the lost flesh by curing diseases of the stomach and other organs of digestion and enabling the perfect digestion and assimilation of food from which flesh and strength are made.

"My wife was for five years troubled with indigestion of stomach and bowels, bloating and severe pain at times during dinner, and she took a purgative every few days but only received temporary relief. She got very poor in flesh and I bought one bottle of Dr. Pierce's Golden Medical Discovery from our druggist and after taking it she said she felt like a new woman. Has no more trouble with stomach and bowels, and has no pain nor bloating. Has gained fifteen pounds in weight."

Dr. Pierce's Pleasant Pellets cure constipation and biliousness.

Captain J. F. Ellison, Superintendent of the Cincinnati and Pittsburgh Packet Company, has received a consignment of photographs of the boats of his line, which were taken at a hamlet above Parkersburg. They are pronounced the best ever taken along the river, and many of the scenes rival those of the Rhine in Germany.

There is a great demand for the Government Snagboat, Woolraft, in the lower Ohio river at present. The pilots who traverse the river are loud in their complaints. The snagboat, which, they claim, should be disposing of the sunken coalboats and barges which have gone down in the river during the spring freshets is lying at Cincinnati, in winter quarters. Repairs are now being made to her, which the rivermen claim should have been made during the winter, so that she could get into commission now when she is really needed.

A short time before the War Captain Vansickle left Louisville with the John Bell for the Upper Mississippi. The late Barney Sealos was pilot on her to St. Louis. When the boat arrived there pilots were hard to get, and Captain Vansickle asked Barney to go on up with him. "Don't you know this river?" asked the Captain. "O yes," replied Barney, "I know every rock in it." The boat left with Barney at the wheel. The next night she hit a rock and sank out of sight. "I thought you said you knew every rock in this river," said Captain Vansickle to Barney, who was leaving the sinking boat. "I do," replied Barney, "that's one of 'em I hit." And he got ashore and came home. Barney never had been up the river above St. Louis.

MISS INEZ CLARK, Prominent Society Belle of Grand Rapids, Mich.

No woman in poor health should give up in despair. All female weakness and nervousness and pain comes from a deranged condition that is quickly relieved and permanently cured by the wonderful Zoa Phora. Thousands of prominent women all over the land testify to the marvellous cures made by Zoa Phora, and the druggists of this city, named below, have decided to give to every suffering or ailing woman a free trial bottle of this splendid medicine and with it a valuable doctor-book, called "Dr. Pengelly's Advice to Women."

Every woman who is sick or afflicted owes it to herself, her family or to those who are or may be dependent upon her to get a free trial bottle of the remedy that will make her well. Do not hesitate to call. Zoa Phora goes at once to the seat of the disorder, imparts and maintains a healthy vigor to the weakened and diseased organs, aiding them and strengthening them to perform their natural functions and give tone to the general system. It corrects irregularity and suppression. With the use of Zoa Phora there is no going to bed every month for several days with terrible pain in back and headache. It relieves and cures.

It is one of the most marvelous of modern remedies, serves as a steady hand to guide the frail and sickly girl through the trying period that opens to her the untrodden path of womanhood. It proves through the trying times of pregnancy and childbirth a "woman's friend" in the truest sense of the word, buoying and

strengthening and building up when all physical and all other remedies fail; and as she passes from the period of motherhood to the last period of life, Zoa Phora is still her friend and mainstay—bringing her through the third dangerous change in woman's life, safe and soundly healthy. Women by the thousands testify to the wonderful effect of Zoa Phora on their general health, as well as to its marvellous power in correcting displacements and permanently strengthening when weak.

Mrs. E. A. Clark, 488 Turner Street, Grand Rapids, Mich., writes under date of June 11, 1902: "Zoa Phora is a friend to ladies. My daughter, Inez, has used the medicine for pain incident to a girl's life, and particularly for severe pain in side, with best results. Too much cannot be said in praise of Zoa Phora, and I will gladly recommend it to anyone who may write to me concerning its merits."

Do not fail to call on the days and at any of the drug stores mentioned below for a free trial bottle of the remedy that will cure you and make you a happy woman.

In case you live out of the city or for other reasons cannot possibly call, send your name and address to the Zoa Phora Co., Kalamazoo, Mich., and they will mail you free a trial bottle. Don't neglect this opportunity that may save your life. This remedy is for sale by all druggists.

The following Druggists will give away free trial bottles of Zoa Phora next Saturday and Monday:

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes.
